DETAILED ACTION

Allowable Subject Matter

1. Claims 1-25 are allowed.
2. The following is an examiner's statement of reasons for allowance: With regard to independent claims 1, 4, 7, 10, and 14, the prior art of record fails to teach a method for constructing an illuminating and reflecting circuit board including removing a defined area of metal layers by a etching process to form a reflective portion within the area and providing a localized light source positioned to allow light to reflect off of the reflective portion. Claims 2-3, 5-6, 8-9, 10-13, and 15-25 depend from claims 1, 4, 7, 10, and 14. Therefore, claims 1-25 are patentable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
